Please Note: Choose courses carefully. Students must choose either 8 credits or 7 credits and a study period to be considered full-time. Remember, the final digit in the course number indicates the number of periods and credits for the course. For example, CWS602A is a 2-credit course and lasts 2 periods, but BUS701A is a 1-credit course and lasts 1 period.

Clearly print the codes of your 8 selections below. If you select a 2-credit course, write the number twice.
