

Dear Students & Parents/ Guardians:

The Public Schools Branch (PSB) is excited to announce the launch of its "Report It!" campaign, aiming to empower students to report school-related incidents and ensure they can do so in a manner that is most comfortable for them. The campaign will be piloted in the Three Oaks Family of Schools beginning on March 28th with plans to expand further next year. The "Report It!" campaign will focus on promoting the importance of reporting school related incidents such as bullying, theft and violence while reinforcing the message that students should inform their parents, guardians, teachers, school counsellors, principals or other trusted adults when they need support. Recognizing the diverse preferences of students, the campaign will offer multiple reporting options, including verbal, written and online methods. The online form, a new and innovative approach, allows students to submit reports anonymously, offering them an additional layer of privacy and security. Similar reporting options have been successfully implemented in other jurisdictions across the country.
